Description

With only one owner and very low mileage of just 11067 miles for a 2022 registration, this Kia Niro 2 is a superb electric vehicle. The Niro 2 trim includes high gloss black lower console trim, a rear ventilation duct, and all-round electric windows with driver and front passenger auto up-down function. Chrome-coated exterior door handles and satin-finish interior door handles add to the appeal. This vehicle has a full dealership service history, offering additional peace of mind. The 43 kWh battery provides a maximum range of 180 miles when new. Charging at home using a 7kW charger takes approximately 6 hours and 10 minutes. For faster charging on the go, it achieves an empty to 80% charge in just 54 minutes at the fastest public charging points. This Kia Niro offers a blend of practicality and efficiency, making it an excellent choice for those seeking an economical and well-maintained electric car.
