Description

This 2021 Kia Stonic T GDi Connect boasts a full dealership service history and an MOT valid until September 2026, offering excellent peace of mind. This Euro 6 compliant 1.0 litre petrol hybrid model comes with a clear vehicle history check and had its last service at 38,783 miles on 11 November 2024. The Connect trim level includes convenient features such as automatic headlight control, Android Auto with voice control, and automatic air conditioning. You'll also appreciate the ease of Bluetooth with music streaming and a reversing camera system for added parking assistance. The Kia Stonic T GDi Connect is presented in a low insurance group, which indicates it is more economical to insure than many similar vehicles. This particular example benefits from its comprehensive provenance, including its recent full dealership service history and long MOT, setting it apart from other cars on the market. The combination of its efficient hybrid engine and practical features makes it a well rounded choice for everyday driving.
