Description

This Kia Niro 4, registered in 2025, presents a superb ownership opportunity with its single owner and MOT valid until April 2028, ensuring peace of mind. This electric model boasts a substantial 68 kWh battery, offering a maximum range of 285 miles when new, making it ideal for both daily commutes and longer journeys. Its vehicle history check is clear, further underscoring its excellent provenance. The Kia Niro 4 is designed for practicality and convenience. Charging at home using a 7kW charger takes approximately 9 hours and 25 minutes for a full charge, while rapid public charging can replenish the battery from empty to 80% in just 43 minutes. This electric vehicle also features a large boot space, providing ample room for luggage, shopping, or sports equipment, setting it apart from many other vehicles in its class.
