Description

This 2025 Kia Ceed T-GDi 3 presents an exceptional opportunity with an incredibly low mileage of just 10 miles, practically making it as new. This one owner vehicle boasts a clear vehicle history check and an MOT valid until June 2028, offering peace of mind. Under the bonnet, you'll find a responsive 1.5L Petrol Engine, compliant with Euro 6 emissions standards. Inside, comfort is paramount with heated front seats and a heated steering wheel, complemented by dual automatic air conditioning to maintain your ideal cabin temperature. The smart entry system with an engine start-stop button and rear parking sensors further enhance convenience and ease of use. The Kia Ceed T-GDi 3 stands out with several key advantages. Its impressive fuel economy of 48 mpg means fewer trips to the petrol station, while its low CO2 emissions highlight its environmental consideration. The large boot space offers practical versatility for shopping trips or holidays. Furthermore, its low insurance group rating indicates that running costs are kept to a minimum, making this a sensible and economical choice compared to many other vehicles in its class.
