

OUR PROMISE TO YOU...

12 Months Warranty
Burton Kia offers a 12-month warranty on all new cars, covering the car's body, paint, and mechanical parts.

Part Exchange
We offer a part exchange service on all new cars, allowing you to trade in your old car for a new one.

Service
We offer a full service on all new cars, including oil changes, filter changes, and a full safety check.

Motoring Advice
We offer a free motoring advice service, including advice on insurance, finance, and other motoring issues.

Our Promise
We promise to provide you with the best possible service, from the moment you walk into our dealership to the moment you drive away in your new car.

6 Months MOT
All our new cars come with a minimum of 6 months MOT.

Vehicle Checks
All our new cars go through a thorough vehicle check, including a full safety check, before they are delivered to you.

Finance
We offer a range of finance packages, including hire purchase, personal contract purchase, and lease with option to purchase.

Price Match Promise
We promise to match the price of any new car you find elsewhere, provided it is a like-for-like comparison.

Description

This 2023 Skoda Kamiq TSI SE Drive is a superb example, boasting a full dealership service history and having had only one owner from new. This compact SUV, registered in 2023, features a responsive 1.5 litre petrol engine and meets Euro 6 emissions standards. Its SE Drive trim ensures a comfortable and connected experience, with notable features including Wireless Smartlink for seamless Android Auto and Apple CarPlay integration, and Bluetooth connectivity. For convenience, it comes equipped with manual air conditioning with a pollen filter and basic LED headlights with distinctive LED daytime running lights. Parking is made easier with rear parking sensors. The Skoda Kamiq TSI SE Drive offers an impressive blend of efficiency and performance. You can expect to achieve a fuel economy of 49 miles per gallon, a figure that highlights its cost effectiveness for everyday driving. Its low CO2 emissions further contribute to its environmental credentials. When it comes to performance, this Kamiq accelerates from 0 to 60 miles per hour in just 7.9 seconds, demonstrating a lively and engaging driving experience that sets it apart from many other vehicles in its class. The MOT is valid until
